

IT Tutti i tessuti della gamma Nautolex sono di altissima qualità e muniti di garanzia. Questa linea di prodotti nasce specificatamente per gli arredi di barche, in quanto, grazie all'esclusivo finissaggio PreFixx, permette l'utilizzo di alcool, acetone, benzine ecc... per la pulizia di cuscini, materassini e sedute imbottite contro le macchie di guano, olio motore, senza alterare o ridurre la resistenza all'abrasione del vinile. PreFixx può ridurre i costi di manutenzione e prolungare la durata del prodotto.

EN All Nautolex fabrics are of the highest quality and have a guarantee. This line of products is born specifically for boat furnishings, because thanks to the exclusive PreFixx finishing, it allows the use of alcohol, acetone, gasoline etc... for the cleaning of cushions, mattresses and padded seats against the stains of guano, engine oil, without altering or reducing the abrasion resistance of vinyl. PreFixx can reduce maintenance costs and prolong the life of the product.
