

SUNBRELLA®

SEAMARK

DCKC.FR/SUNBRELLA

WHY INVEST IN SUNBRELLA SEAMARK® ?

Defend against extreme precipitation and moisture with Sunbrella SeaMark® fabric. Engineered with Sunbrella canvas on the exterior face and a special Sunbrella **textured marine-grade color-matched waterproof vinyl on the reverse side**, SeaMark® delivers strong performance without sacrificing style.

Superior weather resistance also makes SeaMark® a top choice in shade material in environments that see **extreme weather, delivering ultimate protection against heavy rain, harsh sun rays, mold, mildew, and other outdoor elements.**

Sunbrella SeaMark® is available in **18 colors (Stock colors in Europe 6 colours)** spanning a palette of classic colors. **This protective, waterproof fabric is ideal for enclosures, bimini tops, and dodgers.**

DISCOVER ITS EXCLUSIVE ADVANTAGES:

Water Repellent

Sunbrella® SeaMark shields against even the toughest weather with complete waterproof protection.

Stain Resistant

Sunbrella® fabrics are engineered with built-in moisture resistance. With a protective finish that won't wash away, even after daily use, Sunbrella® fabrics stand up to life's toughest messes.

Fade Resistant

Durable Sunbrella® fibers are saturated to the core with color and UV stabilized pigments, ensuring our fabrics won't fade or become damaged due to the sun's harsh rays or normal wear.

Sunbrella® fabrics, unlike ordinary fabrics, are solution-dyed with rich colors that stay brilliant over time no matter the environment.

Resists Microbial Pinking

All Sunbrella® fabrics are resistant to mold and mildew. Should exposure to dirt, debris, sun lotion, or other environmental elements cause mold or mildew to occur, simply spot clean with a bleach solution.

Easy to Clean

Engineered to maintain their integrity, Sunbrella® fabrics are easy to clean. When life happens, blot spills with a clean, dry cloth and use mild soap and warm water to.
